18th January 2021

Dear Patient

Re: BG Health and Granton Medical Centre Relocation

BG Health and Granton Medical Centre will be relocating to the new Bournville Health and Wellbeing Centre. The planned move date is between 15th and 26th March 2021.

The new practice is situated at College Green, on the former Bournville College campus, between Northfield and Selly Oak, Bristol Road South. The address is Bournville Health & Wellbeing Centre, Bristol Road South Birmingham, B31 2GH

The new practice will be known as College Green Medical Practice. The new phone number will be 0121 203 0200. The existing telephone numbers will remain in use until 30th June 2021.

The recent merger of BG Health and Granton Medical Centre and move to a new health and wellbeing centre offers an exciting opportunity to improve the environment in which you access your healthcare. There will be modern consulting, treatment and minor surgery rooms; improved access, including lifts, for those who are less able; and a significant increase in on-site parking.

Working together as a single practice under one roof will benefit all our patients, as well as giving us the potential to expand clinical services, eg physiotherapy and attract highly qualified GPs and other health care professionals with specialised health interests, which will broaden the care available to you. This will also enable us to improve our training of students and future healthcare professionals

Next steps

Patients do not need to do anything, you will continue to contact your practice and attend appointments as you currently do.

The practice will retain the existing boundary, so you will be able to continue accessing appointments and home visits as you currently do now.

Patient choice – other local practices

If you have any queries or concerns regarding the planned move, please discuss these with practice staff or the Patient Participation Groups (PPGs). The PPGs have managed to secure a new bus route to serve College Green from the Kings Norton/ Cotteridge area. If you wish, you

114 Middleton Hall Road, Kings Norton, Birmingham, B30 1DH
Tel: 0121 459 9117 Fax: 0121 486 2889 grantonmedicalcentre@nhs.net

can choose to register with another local practice at any time and staff will be happy to advise you.

If you have any questions about this letter, please call your practice. Alternatively, you can contact NHS Birmingham and Solihull Clinical Commissioning Group by calling 0121 203 3347, Monday to Friday, 9am-5pm.

Updates

Further updates with the latest information and the finalised relocation date when known can be found at <https://cgmc.digipractice.org> or on the existing practice websites.

If you would like to receive notification of the relocation date by text message, or by email please pass on your contact details to the reception teams.

Yours sincerely

BG Health & Granton Medical Centre
